

Dear HPAT-Ulster Candidate,

This email contains important information about your Admission Ticket, photo identification, and test session booking.

Admission Ticket:

Your Admission Ticket is now available in your online account. Log in here:

<http://registration.acer.edu.au/login> to access your Admission Ticket. Your username is the registered email address on your account.

The Admission Ticket shows your login details for the Test App, which will only be accessible when the test window starts. Please ensure you are ready to start your test session at least 15 minutes prior; if you do not present at your scheduled time, you will be marked absent and won't be permitted to sit the exam.

**Please check your personal details on your Admission Ticket carefully and email the HPAT-Ulster Office immediately if there are any errors. It is important that your name and date of birth as stated on the Admission Ticket matches your identification document.**

Make sure you have your Admission Ticket and appropriate photo-bearing identification with you prior to your session commencing. You will not be allowed to sit HPAT-Ulster if you do not have a copy of your Admission Ticket AND appropriate photo identification with you to show your proctor.

Examity Invitation:

If you have not been able to access the invitation email that was been sent via Examity, you can get a new invitation by 'resetting' the password linked to your account.

Login URL: <https://euroapp.examity.com/ACEREU>

Enter Your User ID

GET PASSWORD

The User ID is your email to login to your ACER account.

Please note that all test sessions will be allocated on a first in, first served basis; you are advised to schedule your test session as soon as possible to secure a suitable time.

GoToMeeting:

At this point you simply need to download the GoToMeeting desktop app onto your system, you do not need to login. When you begin your session the proctor will send you a link invite to join a meeting. This invite will contain the meeting id and login details.

Please contact the HPAT-Ulster Office if you have any queries.

Regards,

**HPAT-Ulster Office**
